

Welcome

School Fund Finder is a fundraising service for schools that provides a comprehensive guide to funding opportunities with one-to-one application support. We want to share our knowledge and experience with you to identify funding and write winning applications to make a real difference to your school community.

We work with primary, secondary and special schools, academies, local authorities and not-for-profit organisations, helping them to raise additional funds for projects like school buildings, playgrounds and sports provision. We can unlock your fundraising potential to help you achieve your goals - despite declining school budgets.

Find Grants

School Fund Finder is your comprehensive guide to grants, awards, competitions and free equipment available to UK schools.

- Grants from UK government, European Union, Lottery, trusts and foundations.
- Hundreds of grants for arts & heritage, environment, health & sport, ICT, professional development, school partnerships, school buildings & grounds and special needs education.

Gain Experience

We actively encourage our subscribers to achieve their goals by taking advantage of our knowledge and experience.

- One to one support from our helpful and friendly team of fundraising experts.
- Our fundraising workshops help unlock your fundraising potential; we'll come to you to deliver a hands-on session to develop your fundraising knowledge and bid writing skills.

“ The service provided is fast and friendly and is a big support to any fundraising team.

Share our success

Having had some success in the past fundraising for our school, I was interested to find a quicker way to locate grants that were suitable for the many projects we undertake each year. After subscribing to School Fund Finder I was immediately impressed at how easy its grant search feature made identifying useful grants. Removing the time consuming process of researching and finding new grants has dramatically improved our fundraising success. In our first year of using the service we raised over £20,000 for a variety of projects at the school, with money coming from numerous sources, all of which we found through School Fund Finder.

Keith Wysner, Knockloughrim Primary School

I signed up to School Fund Finder to help with a number of initiatives at the school for which we were looking for financial support. I set up a simple "funding tracker" to allow me to keep tabs on what was where. By February 2011 we had obtained 24,000 euros from Comenius and a total of £18,392 either in the bank or promised from other funders. I see 24,000 euros and £18,000 pounds as a pretty good return for the initial investment in Pebble and 8 days of work don't you?
